

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.

1. What does this verse say about the "sacred-secular divide: the pervasive belief that some parts of our life are not really important to God – work, school, leisure - but anything to do with prayer, church services, church-based activities is."

"I could practically guarantee that you could go into any Christian Union in Britain and not find a single student who could give you a Biblical perspective on the subject they are studying to degree level."

Can you give a Biblical perspective on what you spend *your* days doing (work / study / care / ordinary life)? Give it a go.

How can we as a church grow as a "whole-life community" – committed to addressing all of life?

2. "In the name of the Lord Jesus". What does this mean? (See Jesus' definition of a "follower" – Luke 9:23-25) Explore what it means to be a representative (an ambassador) of Jesus. (The 3 points covered in the sermon were about authority, power & worthy living.)

3. Re-read the whole passage. What has particularly helped or challenged you in this series?
