Spirit-Led Discipleship

1. To be a disciple is to walk with Jesus. We are all at different stages of that walk. How would you describe your own walk? Think about the journey so far. What has been the biggest change? What has been the biggest challenge?
2. If someone was asked to describe what you are known for, what would it be? Sometimes this can reflect what is a priority in your life. God needs to be first. Think about who God is to you. Where does he come in your priorities? How can you make sure that he is the most important part of your life?
3. How do you best worship God? What can you do to build worship into your daily life?
4. To have the mind of Christ, we must immerse ourselves in his word. Do you read Scripture regularly? What can you do to ensure that this discipline becomes a habit? What are the quiet time robbers in your life?
5. Read John 13v35. Can people see your love for God reflected in the way you treat others? How can we better love the people we come into contact with?
6. We are called to share our faith with others and to make disciples. How do you feel about that? What are the challenges you face when talking to non-believers? Who are you currently praying for?
7. In our walk we need to **W**orship, bow to the **A**uthority of scripture, **L**ove one another and be **K**ingdom people. Which of these areas do you need to work on?
