

Reflect

and

pray

Before tackling Jericho, God's people spent some time coming close to Him and remembering how he had rescued them from Egypt by celebrating passover. Let's come before Him now and remember His promises to us. And let's pray that He does great things through us too.

Look up the verses and string them to the promise balloons:

MAYBE YOU COULD
MAKE YOUR OWN
PROMISE BALLOONS?

Dear God,

Thank you for your promises to us, and thank you that we can trust you to keep them. Like the Israelites, help us to remember how you have rescued us, and to live boldly and bravely for you each day.

Amen!
