

Lots of us are missing our friends at the moment, aren't we?!

Jesus needed friends too! He knew He would need people to have fun with, people to be there for Him and friends to work with in order to do His mission.

He calls US to be HIS friends too!

This is amazing! Jesus says

"I have called you friends" John 15:15

In our story today Peter was afraid when he realised Jesus was God, but Jesus told him not to be afraid and Peter followed Him.

Maybe you feel afraid like Peter. But Jesus promises to always be there for us and we can talk to Him about anything.

He wants US to be HIS friend too, not just to be OUR friend!

We're actually made for working with Him in life, not doing it on our own.

How do you feel about God wanting to be your friend?

You might like to make this die to roll and chat to Jesus.

You could tell Him about something you've been doing.

"Jesus did you see me today when I...?"

Ask an adult to help you print (on card if possible) then fold it into a (sort of!) cube shape and stick it together with a bit of tape.

Listen to what Jesus says to you!

"Jesus I really like..."

"I don't really like..."

"Jesus I'm hoping..."

GO FOR IT!
Enjoy your time with Jesus!

"Jesus I'm worried about..."

You might have a small cardboard box you could stick the pictures to instead!

What could you and Jesus do together today?

"What shall we do together Jesus?"
