

Leaders' Notes for Zoom meeting with Children's Groups

After Bethlehem.. Session 4 – Jesus starts work.

Zoom Procedure:

- Leaders join Zoom first, and are last out. There must be at least two DBS holding adults leading. If a leader fails to join, as long as the present leader has a DBS, let in a parent and ask them to stay until another leader arrives.
- Children must have a parent with them on screen when they enter the zoom call. This then signifies consent and will be made clear in emails containing the zoom link. The parent need not stay after that.
- The zoom call mustn't be recorded.
- In all other ways comply with the existing church safeguarding policy.

Zoom Plan:

Timing	Activity	Notes

KS1 : Leader chooses a face (or use the powerpoint where faces are already chosen) and bit by bit describes a face. After each bit of info, children have opportunity to guess. PPT faces pre-chosen and ringed in next slide: Jan, Tim, Eve, Tom, Lil. KS2: Same, of ask Children to choose a face and describe. Children could type guesses in chat. PPT pre-chosen faces: Ben, Rey, Jim, Jac, Tom, Fin (ringed in following slide)</p>	<p>Unmute all as children arrive – make visual contact with a parent. Then mute all and go round to hear children speak, unmuting one child at a time. Establish signal eg. hands up / hat on / finger on nose to speak during discussion.</p>
10-20	<p>Recap story: Recap story using cartoon or stills on powerpoint followed by quick quiz on powerpoint: KS1: True / False answers – children show thumbs up or thumbs down. KS2: Children use coloured objects to register answers.</p>

What about us? KS2: How had Jesus got ready for the work he was starting now? What did Peter think about Jesus before they went fishing? And after? Why was Peter afraid when he realized who Jesus was?</p>
